

Join us for an Evening of Celebration

To Launch Our Lady's School

'Believe It to Achieve It' Foundation

We're delighted to give you an update on our exciting plans for the OLS Believe It to Achieve It Launch Night on Thursday, 26th March in OLS at 7.30pm.

Word is spreading and momentum is building. On the evening of the 26th March, we will have pupils, parents and teachers, past and present, and some of the Religious of Christian Education Sisters gathering to celebrate our ambition and build the positivity and self-belief needed to live and be content in today's hectic world.

We are delighted to have sporting legends, including Siobhan Caffrey (past pupil) and Bob Casey, to talk to us about building self-belief and confidence through the power of sport.

Siobhan Caffrey's contribution to Irish basketball is remarkable. Throughout her playing career, Siobhan captained Meteors to four consecutive league titles, also later winning a fifth. She represented Ireland, for an impressive 11 years, as player and captain. She has since become one of the first women inducted into Ireland's Basketball Hall of Fame.

Bob Casey played rugby at Blackrock College, Leinster and earned 7 caps for Ireland and 129 caps for London Irish RFC where he was player/captain. He then became a successful CEO of London Irish for several years. Today he is a partner at KornFerry Executive Recruitment.

Both Bob and Siobhan will share their stories of how crucial positivity, self-belief and inner confidence are to ensuring you can be the best person you can be, how to manage when things aren't going to plan, when you experience self-doubt and lack of confidence. Their experiences have taught them how to deal with many eventualities and we are privileged to have the opportunity to hear from them directly. There will be an opportunity on the evening for some questions.

The evening will be hosted by well-known journalist, broadcaster and commentator Alison O'Connor. Alison is a regular participant on broadcast media on Virgin Media Tonight Show, RTÉ Current Affairs Programmes and also writes a column for The Examiner.

We are looking forward to this celebration of the OLS community and hope you will join us on the evening. To make sure you don't miss out on the action, book your spot on <https://www.eventbrite.ie/o/our-ladys-school-foundation-29810469729>
