6th Year Graduation Day - 18th May, 2023

Dear Parent(s)/Guardian(s)

As we approach the final weeks of the term for our 6th Year students I would like to applaud our 6th Years on their exemplary behaviour to date. Each and every student has been a pleasure to work with and has made the school a richer place.

It is imperative that our 6th Year students continue to attend school every day as courses are finished and teachers free up class time to focus on exam technique and marking schemes. It is disruptive to classes if students arrive late to classes or miss sections of the day. It is also of utmost importance that the atmosphere in the school remains calm and structured throughout these last weeks to create an environment conducive to preparation for their final exams.

Additional After School Classes

A reminder that there are additional classes available for all students after school over the coming weeks.

We are also inviting 2 members of each 6th Year's family to mark the graduation of our 6th Year students on May 18th at 5pm sharp. Graduation will begin with a Mass of Thanksgiving in the Sports Hall followed by the presentation of Graduation folders. The Parents' Council will host a Graduation reception from 6pm concluding at 7pm. **Students will attend this graduation evening in their school uniform.**

The Summer term in 6th Year is a very special time for the group. We, the staff, look forward to joining with them in celebrating their time with us and with each other in Our Lady's School. We know the community in OLS has benefited from their positive contributions over the past 6 years.
