

Hello everybody,

I would like to thank all of you for your beautiful letters and art work you have sent to our elderly residents here at Elm Hall.

I read all of your gorgeous letters to our residents and I would like to tell you all that their smiles lit up the room!! They were all so happy and grateful for the work you put into your letters and the kind, generous words that were written by you all.

As we are in such difficult strange times, I would like to let you all know that all of you are in our thoughts and we hope you can still enjoy school the way you did before this pandemic. I have all of our residents planning on how they will reply to your kind letters and hopefully we will get them posted out to you as soon as possible.

Thank you for being our heroes and for putting a great big smile on all of our faces here in Elm Hall nursing home. We really appreciate you taking the time out of your day to reach out to us.

### *Our Heroes.*

Heroes come in many forms and they don't always wear a cape.

A smile, a word or an action is sometimes all it takes.

They help us without thinking, It could be something small, but hearing from you all, has made it worth it all.

A hero comes in many forms, this is very true,

To me, my hero is every one of you!!

Thank you.
