

10th January 2023

Dear 2nd Year Parents/Guardians,

Wishing you and your families a Happy New Year.

Your daughters have settled back very well this year and are focused on their school work to achieve their academic potential. To assist their academic progress 2nd Years have an academic tracking booklet to help them set goals and targets and to review their academic progress. These are compiled in collaboration with their subject and form teachers.

2nd Year Parent/Teacher Meeting details

- The meeting is on **Thursday 19th January 2023** as per school calendar, from 4.15pm - 6.45pm.
- This year parents will attend in person in the Sports Hall.
- 2nd Year students will not be attending the meeting.
- You will be invited to a scheduled meeting slot at a specific time with each teacher.
- Meetings are capped at **4 minutes** and will be scaffolded by a reflection sheet that students will already have worked on in class with their teacher.
- **If a parent misses a time slot it cannot be redeemed later in the evening.**
- Conversations will be focussed on student engagement, progress to date and steps to take for future learning.
- As 2nd Year students study 13 subjects and because a lot of teachers teach more than one group/subject, please note that:
 - It is NOT possible for all parents to meet all of their daughter's teachers.
 - We are using a scheduling platform to arrange the appointments.
 - You will be invited to identify your order of preference for the teachers you most need to meet to maximise your chances of seeing these teachers.
 - Please be judicious about the teachers you arrange meetings with. There is no necessity to meet every teacher if you are happy with your daughter's progress in a particular subject.

**The parent-teacher meeting requires some pre-meeting preparation stages by all.
Please read the following set up instructions carefully.**
