30<sup>th</sup> April 2025

Dear Parent/Guardian

As we enter the final weeks of the school year, we would like to take this opportunity to thank you for using our canteen service throughout the school year.

As we do every year, we will be removing the overdraft facility on the canteen cards for the final four weeks of the school year as we cannot carry overdrawn balances on the cards over the summer months. We ask that you please ensure all cards are in a positive or zero balance at the end of the school year.

Any positive balances on the cards will be safe and ready to use at the start of the new school year. If your child is not returning to school in the new school year, please note any balance left on their card can be transferred to a sibling's card or balances can be refunded to the last debit/credit card used to top it up. If you would like to avail of either of these options once the school year is over please email cashless@getfresh.ie with your details and we can arrange this.

Kind regards

John Quinn  
Director
