## **SUBJECT CHOICES FOR LEAVING CERTIFICATE 2021**

Dear Parent(s)/Guardian(s)

Over the coming weeks the 4<sup>th</sup> Year students will be assisted in deciding which subjects they will take in their Leaving Certificate Examination 2021. A copy of **Our Lady's School Subject Choice Booklet** is available on the school website. Copies of this booklet are also available at reception in school. We hope you find the information in this booklet useful in enabling your daughter to make well-informed decisions about subject choices for 5<sup>th</sup> and 6<sup>th</sup> Year.

At Our Lady's School, we provide 4<sup>th</sup> Year students the following to assist them to make appropriate subject choices for the senior cycle:

- Career Guidance classes on Subject Choices
- COA Eirquest and Cambridge Profile aptitude and interest test

The students have received the **Eirquest Student Booklet**. This workbook reveals a picture of the student's stronger occupational and academic interests and related abilities. It includes results of the Cambridge Profile aptitude test. This test comprises an assessment of a student's: Verbal Reasoning, Numerical Reasoning, Abstract Reasoning, Spatial Reasoning, Spelling, Arithmetic Calculation and Working Quickly and Accurately. The results are relevant in making university course and career decisions. They also throw light on a student's thinking and learning styles. We encourage you to read this workbook with your daughter and hope it is useful in helping students to identify the appropriate range of subjects to choose for their Leaving Certificate.

**We will be holding a Parent's Information Evening on Subject Choice on Tuesday 26<sup>th</sup> February 2019 at 7pm.**

In February your daughter will attend a number of presentations, which will be given by the various subject departments to inform them about the Leaving Certificate subjects on offer in Our Lady's School. Each student will also have an individual meeting with the Guidance Counsellor to discuss her career plans, subject choices and to receive feedback on her Eirquest and Cambridge Profile results.

We now have the facility to complete subject choice options on our VSWare system. We would appreciate if you could complete your daughter's subject choices on the VSWare system by **Friday 8<sup>th</sup> March 2019**.

The following are the steps to complete subject choices online.

1. Log on to [olschool.vsware.ie](http://olschool.vsware.ie) using your username and password (please note do not put www. in front of it.) If you cannot locate your username and password please contact [password@olschool.ie](mailto:password@olschool.ie) to receive it by email/text.
2. Click on student options on the left hand side of the page under your daughter's photograph.
3. Choose your language or alternative subject option.
4. Choose subjects 1 to 6 in order of preference.

Please see the demo video from vsware available here: <https://vsware.wistia.com/medias/kr62eqh02z> and apply the same steps to OLS subject choice.
