Dear 5<sup>th</sup> Year Parent(s)/Guardian(s),

I am getting in touch to thank you all for your support in these last few weeks of remote teaching. As a staff we were delighted to see the great effort made by the 5<sup>th</sup> Years. I was delighted to send so many cards congratulating individual students on their hard work and commitment to their studies. They also showed great maturity and responsibility too, reaching out for support when needed. I know that asking for help is not always easy but as Year Head I was only too happy to help in any way I could.

There is an absolutely amazing display of teamwork, leadership and spirit in this year group. They showed this clearly in our pastoral care activities, with everyone getting involved and contributing to the final pieces. They have made videos, produced supportive messages and pictures for each other and also for other year groups. Lighthouse mentors, Le Chéile council and Coiste Gaeilge used their positions to inspire and encourage younger students. As a group they have really impressed with their maturity, positive attitude and commitment throughout the whole school closure period.

I am excited to think they will be in green jumpers very soon. We also have our new 6th Year Council. It's clear there is much leadership talent within this group and I look forward to the role the group will play helping us all readjust to the new school routines.

Many thanks again to you all. I wish you all a safe and happy summer and look forward to seeing you in the coming academic year.

Le gach dea-ghuí,

Freda Kinsella
