ON TOUR...

- Be responsible
- Be early
- Be co-operative

RULES

RULES DURING SCHOOL TRIP

Students should note that for the duration of any school trip, they will be subject to normal school rules at all times. However, we wish to highlight the following rules in particular:

- No cigarettes, alcohol or any other illegal substances are to be carried, purchased or used. This is in accordance with normal school policy. There will be no exceptions.
- For the safety and security of the whole group, students' bags and rooms will be subject to random searches should teachers feel it is necessary.
- Students will be held responsible for the condition of their rooms. Each room will be checked upon entry and students will be liable for any subsequent damage.
- Students must never leave their group without permission and must observe all curfews.
- Any breach of behavior by a student that, in our opinion, jeopardizes the safety of an individual or the group as a whole may result in the immediate sending home of that student.
- It is expected that students' use of mobile phones will be responsible and in line with the school's Acceptable Use Policy. Posting/sharing photos of others (students or staff members) without their consent is expressly forbidden.

We have read the above rules and accept that these are the conditions to participate in a school trip.
