

BOOK OF HOPE

Le Cheile Council Chaplaincy
Group 2020/21

Might not be
tonight, tomorrow
or the next day, but
everything is going
to be ok.

I Hope...

I hope
For love, joy and laughter
I hope
We'll have more than we'll ever need
I hope
We'll have more happy ever afters
I hope
We can all live more fearlessly
And we can lose all the pain and misery
I hope, I hope

Difference Between Wishing &

h o p e

Wishing is the fantasy that everything is going to turn out OK. Hoping is actually showing up for the hard work."

Hope is a suitable desire that is attainable in the future, and therefore because of its possibility is based on reality.

TODAY

TOMORROW

Don't lose hope.

(You never know what
tomorrow will bring.)

ABRAHAM MILLER,

- A man begins to die when he ceases to expect anything from Tomorrow.
- Better to live with hope

Hope is the thing with feathers by Emily Dickinson

“Hope” is the thing with feathers -
That perches in the soul -
And sings the tune without the words -
And never stops - at all -

And sweetest - in the Gale - is heard -
And sore must be the storm -
That could abash the little Bird
That kept so many warm -

I've heard it in the chillest land -
And on the strangest Sea -
Yet - never - in Extremity,
It asked a crumb - of me.

ALBERT EINSTEIN

- Learn from yesterday, live for today, hope for tomorrow. The important thing is not to stop questioning.

Hope...

Sometimes that's all you have
when you have nothing else.
If you have it, you have everything.

What is Hope?

Hope is reaching for something that may not be there.

It's a wish for better times, but accepting the worst.

It's the need for change,

by turning something you wish to be true into a reality.

Only you can control its power.

We as humans are fueled by hope,

Hope for today, hope for tomorrow and hope for the future.

- Hope sees the invisible, feels the intangible and achieves the impossible.

Hope is everywhere, you just have to choose to look closer to see it

hope

If you only carry one thing throughout your entire life, let it be hope. Let it be hope that better things are always ahead. Let it be hope that you can get through even the toughest of times. Let it be hope that you are stronger than any challenge that comes your way. Let it be hope that you are exactly where you are meant to be right now, and that you are on the path to where you are meant to be... Because during these times, hope will be the very thing that carries you through.

- Nikki Banas | *Walk the Earth*

BARACK OBAMA

- **Hope** -- Hope in the face of difficulty. Hope in the face of uncertainty. The audacity of hope! In the end, that is God's greatest gift to us, the bedrock of this nation. A belief in things not seen. A belief that there are better days ahead.
