SCHOOL**
TERENURE

RULES DURING SCHOOL TRIP

Students should note that for the duration of any school trip, they will be subject to **normal school rules** at all times. However, we wish to highlight the following rules in particular:

- No cigarettes, alcohol or any other illegal substances are to be carried, purchased or used. This is in accordance with normal school policy. **There will be no exceptions.**
- For the safety and security of the whole group, students' bags and rooms will be subject to random searches should teachers feel it is necessary.
- Students will be held responsible for the condition of their rooms. Each room will be checked upon entry and students will be liable for any subsequent damage.
- Students must never leave their group without permission and must observe all curfews.
- Any breach of behavior by a student that, in our opinion, jeopardizes the safety of an individual or the group as a whole may result in the immediate sending home of that student.
- It is expected that students' use of mobile phones will be responsible and in line with the school's Acceptable Use Policy. **Posting/sharing photos of others (students or staff members) without their consent is expressly forbidden.**

We have read the above rules and accept that these are the conditions to participate in a school trip.
