

COISTE GAEILGE DÚSHLÁN SEASCA LÁ!!!!!!!

Starting today, Monday January 10th, for 60 days all the way up to **Seachtain na Gaeilge** in March, the goal of the **Coiste Gaeilge** is to encourage the whole school community to use their cúpla focal and add new simple phrases each day as we go. The aim of this is to increase everyone's usage, fluency and confidence in speaking Irish, **céim ar chéim**. We are asking students from first to sixth year, as well as their teachers and families, to do their best to incorporate the language into everyday life. Coiste hopes this will be useful for senior cycle students who will all undertake oral exams this year but also for junior year groups who will be completing their CBAs.

Look out for the weekly theme and the intercom announcements. The noticeboard in reception will also have helpful phrases and verbs relating to the chosen topic, so by Seachtain na Gaeilge everyone will have a bank of new frásaí agus nathanna cainte! **Bímis ar fad ag labhairt as Gaeilge**.

We will also update our Coiste Notice Board with some memes and phrases to brighten up these dull days of winter and bring a smile to everyone. **Bígí ag faire amach!**
