

Friendship By Ava Power

Friendship is one of the most precious gifts of all,
Feeble and fragile,
It flourishes across borders.

True friends build trust,
Treasuring secrets with each other,
Tumbling down together,
Thriving together.

Fights cause fury and rage,
But true friends fire on together,
Because true friends are forever.

Flu and corona virus,
Fires and wars,
Can never break the formation of true friends.

As we all fight our way through the fearful Covid 19,
We remember the tremendous and terrific times with our friends,
The power of friendship is indestructible,
As we fight this battle together, through the empowerment of friendship.
