Video call link: <https://meet.google.com/euo-qfun-ajb>

We will provide an online presentation on CAO college applications. We will also provide information on Further Education/PLC (Post Leaving Certificate) courses, apprenticeships grants and access routes to college (DARE & HEAR). Prior to this we are sending you today a list of useful links which we hope you find helpful.

Please submit any questions you have in relation to college applications (lporter@olschool.ie or fbannan@olschool.ie) and we will endeavour to answer these questions in our online presentation. There will also be an opportunity to submit questions at the end of the Google Meet. **We encourage both 6th Year students and their parents to join this information meeting.** If students are attending after-school study they may leave at 4.30 or 5pm to go home and log on to the meeting with their parent/guardian.
