

## Leaving Certificate Results and CAO College Offer Dates

Dear Class of 2023 Students and Parent(s)/Guardian(s)

Please see below some information about the release of the Leaving Certificate Results & College offers dates. We will be in touch with you prior to the release of the results with further details.

The State Examinations Commission (SEC) has announced that this year's Leaving Certificate Results will be issued on **Friday 25th August**.

The Central Applications Office (CAO) has announced the date for college offers.

Round One offers for school leaving applicants will be issued on **Wednesday, 30 August at 2pm**. Round Two offers will follow on **11 September at 2pm**.

The updated schedule is published on the CAO website in the Important Dates section.

The CAO would also like to remind applicants that the facility to change course choices closes on **1 July at 5pm**.

“Applicants who have yet to add any courses, or those wish to make changes, should take note of this deadline and ensure to make any changes in a timely manner”.

Last month, CAO emailed all applicants asking them to check and confirm their account information. This email was called a Statement of Application email, and it contained important instructions for applicants to check their account information and modify any missing or incorrect information, for example, a missing or incorrect examination number, before it's too late.
