ST BRIGID'S DAY

Celebrating the Creativity of Women

Happy St. Brigid's Day

- Today marks the beginning of spring.
- It signals an end to the darkness of winter as we usher in a new season of hope and growth.
- Let's pray to St. Brigid for better days to come.

St Brigid

**Born in Kildare
Land of the oak,
Known for her cross
And growing cloak!**

**Kind and loving,
A patron of arts,
February 1st,
She's in our hearts.**
