

**OUR  
LADY'S  
SCHOOL**  
TERENURE

Dear Transition Year/ Fifth Year Students and Parent(s)/Guardian(s),

Our Lady's School Guidance Department and Parents Council are planning on holding a virtual **Careers Expo on Thursday 15th April 2021 from 7pm to 8.30pm**. This online event will be open to all 4th and 5th year students.

The purpose of this event is to allow our students the opportunity to hear from people working in a number of different professions in order to assist them with their career research. It is a valuable opportunity to explore and research various career areas, helping students to make informed college/training applications next year.

Students will be given further information about this event after the Easter holidays. Participation in this event will involve students selecting three career areas from the available selection and joining a designated link to hear a representative give a talk about this career lasting 15 minutes followed by 5 minutes of Q&A . The presentations will be repeated three times, allowing students to join and hear about three different career areas.

Format for the evening is shown below and talks will include Law, Medicine, Marketing/Advertising, Psychology, The Defence Forces, Hairdressing, Science & Technology, Primary Teaching, Social work, Media/Journalism, Makeup Artist, Film & TV and more
