Our Lady's School now offers an alternative to the traditional Leaving Certificate. The Leaving Certificate Applied course offers a more practical approach and involves continuous assessment over the duration of two years. Having completed this, students can access Level 7 and then Level 8 courses. Parents of students in 3rd year and Transition Year are invited to attend.

The school app has regular updates and is the best way to keep up to date with school news. We ask that every household downloads it from the app store!

Kind regards
