April 2018

Dear Parent(s) / Guardian(s),

Following the Careers Night and to continue your daughter's preparation for making informed career choices she will have the opportunity to participate in a number of careers events on Friday 27<sup>th</sup> April. Students should attend first class as normal; they will then travel by bus to UCD. Here they will attend a UCD information session and tour of the campus from 10am to 12pm. Following this, they will then return, by bus, to school for lunch. In the afternoon the students will attend a two hour seminar on motivation and interview skills given by Ms. Aisling Fleming from the DCU Careers Service.

Later in the year students will have the opportunity to attend a number of optional career workshops including studying in the UK, applying to medicine and the HPAT test, art and design courses and portfolio preparation.

Please return the reply slip to the Guidance department by Tuesday 24<sup>th</sup> April 2018.

If you have any queries please feel free to contact us.

Yours sincerely,
